PeriStrat Mission – Vision - Strategy

- **MISSION:**
supporting clients with independent state-of-the-art advice
- **VISION:**
develop into a leading and specialized boutique consulting firm offering bespoke services to enhance clients' long term business success
- **STRATEGY:**
superior advice at eye level
 - No replication of stereotype solutions
 - Client focus combined with decades of management and underwriting experience allow for tailor-made, ready-to-use and highly efficient advice which isn't limited to the intellectual phase of identifying new or improving existing ideas but includes the implementation phase when excellent ideas go live

PeriStrat Management

Hans-Joachim Guenther - owner and founder of PeriStrat GmbH - is a seasoned and highly experienced reinsurance executive. He has served as executive board member and Chief Underwriting officer for Gerling Global Re, Converium, Endurance and recently Asia Capital Re.

Hans-Joachim has successfully practiced building and managing multi-cultural teams as well as developing, implementing and executing business and underwriting strategies across multi-hub organizations. He has managed various market cycles, crisis and turn-around situations as well as the set-up of new offices. Hans-Joachim has created highly responsive matrix and networked organizations and is familiar with remote management of teams in multiple locations and different time zones. He is recognized for his communication and negotiation skills. More than 30 years of professional experience in Europe and Asia provide him with strong management capabilities combined with a deep understanding of global markets, underwriting and risk management as well as a broad network across the industry. Hans-Joachim holds a master in business administration from University of Cologne where he specialized in insurance, organization and computer science. He has the Swiss and German nationality. He is member of [Arias Deutschland e.V.](#) and registered arbitrator.
